TCP to Host Conference Call to Discuss Second Quarter 2014 Financial Results on Thursday, August 7, 2014

AURORA, Ohio, July 31, 2014 /PRNewswire/ -- TCP International Holdings Ltd. (NYSE: TCPI), a leading global manufacturer and distributor of energy efficient lighting technologies will report financial results for the second quarter ended June 30, 2014, after market close on Thursday, August 7, 2014.

The company will host a conference call to discuss its second quarter results at 4:30 P.M. Eastern Time (1:30 P.M. Pacific Time) on Thursday, August 7, 2014. Chief Executive Officer, Ellis Yan and Chief Financial Officer, Brian Catlett will provide an overview of the second quarter results, discuss current business conditions, and conduct a question and answer session.

The call will be available, live, to interested parties by dialing (888) 539-3696. For international callers, please dial (719) 325-2362. The Conference ID number is 7227670. A live webcast will also be available in the Investors Relations section of the TCP website at: <http://investors.tcpi.com/>.

A replay of the webcast will be available in the Investor Relations section of the company's web site approximately two hours after the conclusion of the call and remain available for approximately 30 calendar days.

About TCP

TCP is a leading global manufacturer and distributor of energy efficient lighting technologies. TCP's extensive product offerings include LED and CFL lamps and fixtures, internet-based lighting control solutions and other energy efficient lighting products. TCP has the largest combined number of LED and CFL ENERGY STAR® compliant lighting products. TCP was recently named a 2014 ENERGY STAR® Partner of the Year by the U.S. Environmental Protection Agency. TCP's products are currently offered through thousands of retail and C&I distributors. Since TCP's inception, it has sold more than one billion energy efficient lighting products.

Forward Looking Statements

Certain statements in this release may constitute "forward-looking" statements, including with respect to the closing of TCP's initial public offering. These statements are based on management's current opinions, expectations, beliefs, plans, objectives, assumptions or projections regarding future events or future results. These forward-looking statements are only predictions, not historical fact, and involve certain risks and uncertainties, as well as assumptions. Actual results, levels of activity, performance, achievements and events could differ materially from those stated, anticipated or implied by such forward-looking statements. While TCP believes that its assumptions are reasonable, it is very difficult to predict the impact of known factors, and, of course, it is impossible to anticipate all factors that could affect actual results. There are a number of risks and uncertainties that could cause actual results to differ materially from forward-looking statements made herein. Such forward-looking statements are made only as of the date of this release. TCP expressly disclaims any obligation or undertaking to release any updates or revisions to any forward-looking statements contained herein to reflect any change in its expectations with regard thereto or changes in events, conditions or circumstances on which any statement is based.
